CC: Chief and Council

Re: Elected Position of Georjann Morriseau

Subsequent to our most recent election and the results of my successful appointment to the position of both Chief and Council I am pleased to advise our membership that I respectfully decline the position of Councillor throughout the duration of the term in its entirety and will retain the position of Chief on behalf of our membership.

In addition, our Council will fulfill the obligations on behalf of the membership with the remaining eleven seats throughout the duration of the term.

We believe this decision will not impact the obligations and service to the membership and we will commit to ensuring dedicated efforts as leaders of our community

Respectfully,

Chief Georjann Morriseau
