FIRST RESPONSE TEAM RECRUITMENT NOTICE

We are excited to announce that the Fort William First Nation First Response Team is officially starting! We are currently awaiting finalization for our first training session. We will soon have First Responders active in our community, responding to emergency situations and calls within our community. Having trained Medical First Responders in our community will save our community members lives by providing rapid response times where normally response times would be longer.

We are currently accepting applications for any individual who would like to join our team! You do not need any previous experience, qualifications or certificates to join the team! Simply visit <http://fwfnfirstresponse.com/recruit.html>, fill out and submit an application!

Respectfully,

Mason Morriseau
