BRIEFING NOTE

Department: Lands & Properties Department Date: September 2, 2021

Subject: Bear Issues Prepared By: Wyatt Bannon – By-Law

Enforcement

As most in our community have noticed an increase in bear activity. Here are a few tips to help reduce bear encounters.

Garbage:

- put garbage out only on the morning of garbage day, not the night before
- put meat scraps in the freezer until garbage day
- put garbage in containers that have tight-fitting lids and store it in a bear-proof location such as your basement or a sturdy garage
- frequently wash garbage cans and recycle containers and lids with a strong-smelling disinfectant, such as bleach

Barbecue:

- burn off food residue and wash the grill right away
- empty the grease trap every time you barbecue
- remove all utensils, dishes and food after eating

Fruits and berries:

- pick all ripe and fallen fruit from trees and shrubs on your property
- plant non-fruit bearing trees and shrubs

Pet food:

• do not leave pet food outdoors, in screened-in areas or porches

Non-Emergency encounters

Please call Bear Wise reporting line at 1 866 541 2327 as well as 807 285 9428 and leave a message.

Respectfully,

Wyatt Bannon
By-Law Enforcement.
