FORT WILLIAM FIRST NATION
COVID-19 INFORMATION UPDATE

You've tested positive for COVID-19, what does that mean for your household and yourself?

You have taken a COVID test and your result was positive.

Contact the COVID Hotline (807)698-0415, or the FWFN Health Center (807)622-8802 between 9 am and 4pm Monday to Friday, and the FWFN on-call after hours (807)622-8802 on weekends to self-identify and begin receiving support.

The Community Health Nurse will contact you and complete an assessment, she will determine your isolation dates and you will identify your household contacts. If it is identified that you require supports you will be contacted by the Isolation Support Team and services will be provided.

How long do I have to isolate once I test positive?

Once you test positive you are required to isolate for 5 days (if fully vaccinated) 10 days (if not fully vaccinated). If your symptoms persist past the five-day isolation period you are required to **isolate** until you are symptom free for 24 hours. Your isolation is then considered complete and you may leave isolation.

Does my household have to isolate if I test positive?

Yes, your household should isolate for the required isolation period, if a member of your household tests positive within this five day period their isolation dates will change to five days from the onset of their symptoms.

Once this member is finished their required isolation period and are symptom free, their isolation is complete and they may leave isolation.

This process will continue for each member that tests positive within your household.

Where can I obtain a test kit?

Currently test kits are becoming more readily available through the Ontario Government. There are programs in place for you to obtain a kit through the local grocery stores, and some of the pharmacies.

Call ahead to ensure that the place of business that you are going to is part of this program being provided.

F O R T W I L L I A M F I R S T N A T I O N

Dear Student:

Fort William First Nation (FWFN) is proud to have you continue on in your education. There are some **requirements** you must meet to be considered for sponsorship by FWFN.

- You must be a recognized Band Member of FWFN.
- You must fill out an Internal Application Package (FORM A - Application; FORM B – Declaration and Release of Information; *if applicable* FORM C – Affidavit). These documents must be filled out annually and must be in the education office before the deadline date.
- First year students must bring in an acceptance letter from your college or university. Returning students must provide proof of re-enrollment. All students must submit tuition cost and other related school costs. Any amounts over this amount may not be covered by the Education Department. It is **your** responsibility to bring a sponsorship letter from FWFN to your registrar. If you wish us to fax or email this letter out, please supply us with a fax number or email address and a contact person.
- Transcripts must be handed in 2 times a year (January and the end of the school year). You must check in before the 15th of each month. Check in can be done by telephone, or by email. Failure to do so *will result in funding being ceased*. If a transcript is not produced *funding will be suspended* for a period of 2 years *as well as repayment* must be made for all expenses paid on your behalf (tuition, books, living assistance and travel).
- Providing any false or misleading information at check-in's will result in disciplinary actions, which is not limited to suspension and repayment of funds.
- When you graduate from a program, you must supply the Education Department with a copy of your diploma/degree/certificate
- You must complete the program you are enrolled in; you cannot transfer from program-to-program.
- You **must sign out of optional health fees** that are offered by your college/university. This is done at the College or University itself. Failure to opt out will result in you being responsible for that portion of your tuition.
- It is important that you keep your address, email and phone number current. This will help to keep communication lines open. We consider this a temporary address. We do not update your address with other FWFN departments.
- If a student drops out of a Post-Secondary Program (without a written medical reason from their doctor) funding will be suspended for a period of 2 years and *repayment* must be made for all expenses paid on your behalf (tuition, books, living assistance and travel)
- If you drop out of your program you must formally withdraw from College/University, and notify FWFN Education department. You must provide proof of attendance up to date of dropping out.
- You must maintain passing grades in all courses. If you are experiencing difficulties in one or more classes, you must contact the Education Department of FWFN.
- We must operate within a budget. For that reason, *we are not able to fund everyone* who wishes to attend post secondary institutions. You will be informed by the end of June of the committee's decision, and the next steps in securing funding.

FORM B PAGE 1 OF 1

DECLARATION

Funding for Post-Secondary Education is limited. Not everyone who applies for funding will receive it.

*Fort William First Nation has adopted the policy of "Upward Mobility". What this means is a student must move their education careers forward to be considered for funding. Students are permitted to take **one** pre-course (such as: pre-health; pre-tech; college access; university access; etc.) after completing this, they must choose a field and progress upward in their education.*

I understand and agree to not take this sponsorship for granted. The following are conditions for sponsorship by Fort William First Nation Education Department. All information will be held in confidence and without prejudice.

- To attend classes regularly and consistently, to be punctual, and prepared for classes.
- To consult with the Education Department at FWFN should any academic difficulties occur.
- To check in every month between the 1st and 15th with the Education Department through a phone call or by email. Failure to check in by the 15th will result in living assistance payment delay of 1 week of actual check in day. Providing any false or misleading information at check-in's will result in disciplinary actions, which is not limited to suspension and repayment of funds.
- To adhere to college/university regulations and meet the grade requirements set forth by the college/university.
- Allow FWFN to cancel optional health/dental fees "when possible" – if FWFN is not able to, it is the student's responsibility to opt out of health and dental fees. FWFN does not cover this cost.
- I will supply the Education Department with my transcript 2 times a year (January and the end of the school year). Failure to do so will result in funding being ceased. If a transcript is not produced within 30 days, funding will be suspended for a period of 2 years and repayment must be made for all expenses paid directly to you or on your behalf.
- To notify the Education Administrator if **I withdraw from college/university** or if **I am no longer attending classes**.

Land has a spiritual, economic and political significance for First Nation Peoples. With the Fort William First Nation Land Code, we will finally resume control over our reserve lands and resources for the use and benefit of our Members.

Indian Act Sections

Having a Land Code will eliminate 44 sections of the *Indian Act* and will give Fort William First Nation the power to manage its lands and resources. Canada will no longer manage lands and resources on behalf of the First Nation.

What is a Land Code?

A Land Code is the basic land law of Fort William First Nation and will replace the land and resource management provisions of the *Indian Act*.

The Land Code is drafted by the Fort William First Nation and will make provision for the following matters:

- identifying the reserve lands to be managed by the Fort William First Nation (called "Fort William First Nation Land"),
- the general rules and procedures for the use and occupation of these lands by Fort William First Nation Members and others,
- financial accountability for revenues from the lands (except oil and gas revenues, which continue under the *Indian Oil and Gas Act*),
- the making and publishing of Fort William First Nation Land laws,
- conflict of interest rules,
- a community process to develop rules and procedures applicable to land on the breakdown of a marriage,
- a dispute resolution process,

- procedures by which the Fort William First Nation can grant Interests in land or acquire lands for community purposes,
- the delegation of land management responsibilities,
- the procedure for amending the Land Code, and
- any other matter respecting the management of Fort William First Nation Land.

What is an Individual Agreement?

An Individual Agreement is an agreement that is negotiated between a Fort William First Nation and Canada and deals with the following matters:

- the reserve lands to be managed by Fort William First Nation under a Land Code,
- the specifics of the transfer of the administration of land from Canada to the Fort William First Nation, e.g., the Interests in land held by Canada that are to be transferred to the Fort William First Nation, the transfer of revenues and an identification of any outstanding environmental issues as well as an action plan to address them, and
- the operational funding to be provided by Canada to the Fort William First Nation for land management.

Is the *Indian Act* still relevant to a First Nation that has adopted a Land Code?

Yes. Approximately 65% of the provisions of the *Indian Act* continue to apply to a First Nation that has a Land Code. For example, the sections dealing with elections, membership, estates, guardianship, taxation, schools, etc., will continue to apply to the First Nation.
