From the Office of the Chief

Subject: Robinson Superior Treaty (RST) Annuity Distribution Update

Dear Members,

On behalf of Chief and Council, we are providing an important update regarding the upcoming Robinson Superior Treaty (RST) annuity distribution.

As of today, we have not yet received Canada's portion of the payment. However, as previously communicated, we have received the Ontario portion, and we will proceed with the distribution of those funds as scheduled on **June 26th**.

If Canada's portion is received by that date, it will be included in the June 26th distribution. If not, we will issue a further update with details on the distribution of the remaining funds once they are received.

Please note: The time it takes for the funds to appear in your account will depend on your financial institution and may take up to **72 hours**. We kindly ask for your patience during this time.

For **USA residents**, the distribution remains scheduled for **July 3rd**.

We understand that many are eagerly awaiting these payments, and we thank you for your continued patience and understanding.

Miigwetch,

Chief Michele Solomon
