Making a difference one life at a time

**Fort William  
First Nation**

# WHO ARE WE? WHAT DO WE DO?

- We are a team of trained medical first responders that ONLY respond to medical emergencies within the community of FWFN
- When someone calls 911, the FWFN First Response Team is dispatched through CACC to the address of the emergency
- The FWFN First Response Team ONLY responds to the highest priority calls. This is done so that the First Responders are available to respond to any life threatening or serious medical emergencies
- The FWFN First Response Team provides life saving interventions and PRE-AMBULANCE care to patients in the community
- The FWFN First Response Team provides medical coverage at events such as Pow wows, round dances, recovery day, & all other events in community
